

THE GUNNISON

25-30 cans/minute

(3 HEAD)

LOTUS

BEVERAGE ALLIANCE

Crafting Possibilities.

Ultra Compact & Highly Versatile

The Gunnison is the go-to option for small to medium-sized beverage producers and mobile canning operations that need to maximize efficiency while working with limited space.

With seamless changeovers between can diameters, this canning system can produce a quick 25-30 cans per minute. It has integrated automated tank pressure controls and a wide array of infeed and outfeed options that make the system easy to customize.

Quality Canning Solutions for Beer, Wine, Coffee, Kombucha, Cider, RTD, Soda, Water, Juice, THC/CBD Infused
